

Hello,

I apologize for the mass message. I just wanted to send you all a quick message to share with you my excitement in joining full time with ABC Realty Specialists Inc., one of the largest multi-office ABC companies in Canada.

As such, I have changed around my skills, industry type and general profile on LinkedIn. Please have a look at my newly listed skills and feel free to endorse any you agree with. It would be GREATLY appreciated! I am always willing to return the favor on your profile!

If you are on Facebook, I just started my professional page and could use a "like" or two. The link to my Facebook page is:

As well, I will be starting up a monthly electronic newsletter next month with articles that focus on:

- Luxury Homes
- Data Center Acquisitions, Moves and Expansions
- Professional Office Space
- Security Sensitive Industrial Leasing (Banking, Record Vaults, Medical Facilities)
- 

As well as general tips and tricks on increasing your investment portfolio to include real estate, improving the value of your home, and debunking common myths a lot of people have when it comes to real estate in general. My geographic focus will be on the Greater YourCity Area and Canada, however a lot of the articles will be geographically neutral. If you are interested in receiving this monthly newsletter, please reply back with your email address and I will add you to the subscriber list.

The services at ABC Realty Specialists Inc. are excellent and will enable me to better serve you and any other customers you refer to me. I look forward to working with you in the future!

Regards,
